

BASIC LAW ENFORCEMENT TRAINING

POLICY STATEMENT

College of The Albemarle offers the Basic Law Enforcement Training program (BLET) as a full-time day and part-time night cadet school. Each applicant will meet minimum standards for employment as established by the North Carolina Justice Education and Training Standards Commission and/or the North Carolina Sheriff's Education and Training Standard Commission.

State guidelines require that a minimum of 10 students must meet all eligibility requirements, and have been properly registered in a BLET class by the first class meeting. If, for any reason, fewer than 10 students are properly registered and fees cleared by the first class meeting, then the class, as required by state guidelines, must be cancelled. In addition, per state guidelines, no student is permitted to enroll in the class after the first class meeting. The Training Standards Commission must approve any student that needs to be a limited enrollee in the BLET program prior to the beginning of the school.

ADMISSION INTERVIEW

After all paperwork is complete, the BLET Director interviews each applicant. The interview determines if the applicant meets the minimum standards for employment as established by the North Carolina Justice Education and Training Standards Commission and/or the North Carolina Sheriff's Education and Training Standards Commission. It is necessary to make sure that the applicant is free of conviction of any crimes (civilian or military; driving while impaired or under the influence; or major motor vehicle law infractions) and to determine if the disposition of such charges is pending. The BLET School Director reserves the right to deny entry into the program based on criminal charges or convictions and moral character of the student.

TUITION AND FEES/WAIVER REQUIREMENT

Obtaining a sponsorship letter is mandatory for admission into College of the Albemarle's BLET program. This sponsorship letter does not guarantee the student a job upon graduation from that agency. The sponsoring agency may revoke the sponsorship at any time, immediately removing a student from the BLET program. The sponsoring agency will conduct additional background checks. Program participants may be eligible for financial aid and must consult the Financial Aid office for further information.

Students employed by a law enforcement agency must submit a letter from that agency certifying employment in order for a waiver of tuition fees. Submission of this letter to the Director is necessary in order for the student to register for the BLET program.

MEDICAL EVALUATION

Prior to enrollment in the BLET program, each applicant must have been examined and certified by a physician in order to verify that he/she meets the necessary physical requirements involved in this program. The physician must fill out two forms. You can get these forms from the School Director after your other items have been turned into the BLET office. Since the applicant will pay the cost of the physical, it is not recommended that the applicant take the physical unless he/she is reasonably sure that he/she meets the minimum standards for employment by a law enforcement agency in North Carolina. Anyone who is uncertain whether he/she meets the minimum requirements should contact the BLET School Director at (252) 335-0821.

PHYSICAL ABILITY

Students are expected to run, drag a 175 lb. "victim," do 40 push-ups, maneuver 100lbs of dead weight, scale a 4-foot fence, navigate under a 2-foot apparatus, and demonstrate the ability to step up and down 30 times.

COMPLETION OF THE APPLICATION PROCESS

Completed BLET packets must be returned to the BLET Administrative Assistant located in room FC129 at the Elizabeth City campus of College of the Albemarle. An applicant may address questions regarding the application packet to the Director at (252) 335-0821 x2315 or to the Administrative Assistant at (252)335-0821 x2210. When the applicant has provided all of the required information and the packet is completed, an interview with the Director will be scheduled. **All required items MUST be completed before the set deadline for the student to be able to enter the BLET program.** Each class will have a preset date that will serve as the last day for the student to have all forms and other entry events completed. If the student does not have all required items finished by this date, the student will not be allowed into the class. The student may and will be considered for the next scheduled class.

The BLET School Director's office is located in room FC131 at the Elizabeth City campus of College of the Albemarle. Students may contact the Director at (252) 335-0821 x2210 to make and on campus appointment.
