

## Associate in Arts Pathway (P1012C) Course Sequencing

Goal: Complete an Associate in Arts Pathway in 2 Years; 3rd-year option to complete Associate in Arts Degree at COA

AA Graduates will be able to transfer with junior-level status in almost any academic or pre professional field ranging from traditional academic areas such as economics, education, psychology, and English to preprofessional areas such as medicine, law, criminal justice, pharmacy, and other business-related activities. This curriculum is also suited to students who prefer a broad education background without definite transfer plans.

The [Comprehensive Articulation Agreement](#) between the North Carolina Community College System (NCCCS) and the University of North Carolina (UNC) System is intended to provide smooth transfer for community college students who wish to continue their education at constituent institutions of the University of North Carolina System. The [Independent Articulation Agreement](#) between the North Carolina Community College System (NCCCS) and the Signatory Institutions of North Carolina Independent Colleges and Universities (NCICU) is intended to provide smooth transfer for community college students who wish to continue their education at an NCICU Signatory Institution.

\*AA Pathway Note: OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC) A student may take up to 8 SHC of foreign language courses and accompanying labs, in a single language, designated as General Education in the CAA as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of "C" or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, pre-major, or elective credit.

\*\*High school students in the CCP College Transfer Pathway leading to the Associate in Arts must complete the entire pathway before taking additional courses in the Associate in Arts degree with the exception of mathematics courses beyond MAT 171 in the Associate in Arts.

Note: General Education electives should be selected from courses classified as general education within the [Comprehensive Articulation Agreement \(CAA\)](#). Students should select these courses based on their intended major and transfer university. Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer to the senior institution. Students should consult with the transfer guides available at <https://www.cfnc.org/plan-your-future/plan-for-college/transfer-student-planner/to-unc-system-institutions/>

## College Transfer Programs

### A 10 10 0 Associate in Arts

#### CONCENTRATION OVERVIEW

The Associate in Arts Degree is designed to meet the two-year general college requirements of four-year colleges and universities.

Upon completion of this concentration, graduates will be able to transfer with junior-level status in almost any academic or pre-professional field ranging from traditional academic areas such as economics, education, psychology, and English to pre-professional areas such as medicine, law, criminal justice, pharmacy, and other business-related activities. This curriculum is also suited to students who prefer a broad education background without definite transfer plans.

#### Student Learning Outcomes – Upon completion of the program, students will:

1. Prepare a deliverable designed to increase knowledge, foster understanding, or promote change in audiences' attitudes, values, beliefs, or behavior.
2. Apply appropriate strategies to identify materials, evaluate information, and reference relevant discipline materials to effectively address a topic.
3. Use mathematical skills to logically analyze and interpret mathematics in context.
4. Develop meaningful questions, gather and analyze evidence, and create evidence-based conclusions or solutions.

In compliance with state transfer articulation agreements, only courses with a grade of C or higher will fulfill degree requirements in this program.

**Partnership:** College of The Albemarle has articulation agreements with certain universities for students transferring into specific programs of study. Students can complete the first two years of that specific baccalaureate degree at College of The Albemarle. Students should check with their advisor and the COA website for more information. [www.albemarle.edu/student-resources/transfer-from-coa/](http://www.albemarle.edu/student-resources/transfer-from-coa/)

\*This program offers a [Career and College Promise pathway \(CCP\) P1012C](#). Courses within the pathway are highlighted in yellow.
