

College Transfer Programs

A 10 10 T Associate in Arts in Teacher Preparation

A 10 40 T Associate in Science in Teacher Preparation

CONCENTRATION OVERVIEW

The Associate in Arts and the Associate in Science in Teacher Preparation Degrees are designed to meet the two-year general college requirements of four-year colleges and universities for students seeking to pursue a concentration in field of K-12 education.

A 10 10 T: Upon completion of this concentration, graduates will be able to transfer with junior-level status and pursue a teaching degree in the K-12 field of education. This curriculum is suited for students who want to pursue a four-year teaching degree in non-stem areas such as English, History, Social Sciences, Humanities and the Arts.

A 10 40 T: Upon completion of this concentration, graduates will be able to transfer with junior-level status and pursue a teaching degree in the K-12 field of education. This curriculum is suited for students who want to pursue a four-year teaching degree in STEM related or technical areas such as mathematics and science.

Student Learning Outcomes – Upon completion of the program, students will:

1. Prepare a deliverable designed to increase knowledge, foster understanding, or promote change in audiences' attitudes, values, beliefs, or behavior.
2. Apply appropriate strategies to identify materials, evaluate information, and reference relevant discipline materials to effectively address a topic.
3. Use mathematical skills to logically analyze and interpret mathematics in context.
4. Develop meaningful questions, gather and analyze evidence, and create evidence-based conclusions or solutions.

In compliance with state transfer articulation agreements, only courses with a grade of C or higher will fulfill degree requirements in this program.

Partnership: College of The Albemarle has articulation agreements with certain universities for students transferring into specific programs of study. Students can complete the first two years of that specific baccalaureate degree at College of The Albemarle. Students should check with their advisor and the COA website for more information. www.albemarle.edu/student-resources/transfer-from-coa/

***This program offers a [Career and College Promise pathway \(CCP\) P1012T and P1042T](#). Courses within the pathway are highlighted in yellow.**

A 10 40 T Associate in Science in Teacher Preparation

The Associate in Science in Teacher Preparation degree shall be granted for a planned program of study consisting of a minimum of 61 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic computer use. The Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA) enables North Carolina community college graduates of two-year associate in science programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institutions of North Carolina Independent Colleges and Universities to transfer with junior status. Community college graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.7 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions.
