

# COA 2026 Comprehensive Articulation Agreement (CAA) Course List

## College of The Albemarle 2026 CAA Course List

Following is the list of courses from the Comprehensive Articulation Agreement (CAA) between the University of North Carolina and the North Carolina Community College System. To be considered for junior status at one of the UNC institutions, community college transfer students must meet the same requirements set for native students in that university with respect to such things as grade point average and credit hours accumulated. Courses which do not originate at the community college and which are not listed on the approved college transfer course list will be evaluated on an individual basis by the receiving university. Transfer credit may or may not be granted for these courses, according to the policies of the receiving institutions. These courses can be found on the [Comprehensive Articulation Agreement Transfer Course List](#).

**UGETC – Indicates a Universal General Education Transfer Component Course that is guaranteed to transfer for general education equivalency credit to each of the 16 UNC institutions.**
