**\* Please call COA to pre-register for this class, the class has been added to the NC OSFM website\***

### **Special Notes:**

- Tests are always given the last night of the last class for each course.
- Students must register the first night of class and attend 80% of class to get credit for the class (State mandated).
- Minimum number of students to hold classes is 10.
- We need your request for fire classes seven days prior to the beginning of classes, unless you make arrangements to have someone to pick up materials.
- When scheduling classes or changing dates of classes you must notify the college staff 24 hours before the start of the class. This is required due to all classes having to be entered in the Portal at OSFM, no exceptions.
- Classes are added during the month that may not be on the training calendar. You can view the most current, up- to-date, fire calendar at:  
<http://www.albemarle.edu/programs-classes/noncredit/courses/fire-rescue-service-training/>
- Starting July 1, 2008...All requested fire classes will need to be requested by using the Fire Request Form that is on COA's website. Classes requested without the required paperwork will not be approved.
