

**5-7 Institutional Dues**

The President is authorized to pay annual dues for membership in institutional associations deemed to be of benefit to the college. Membership dues paid from state funds shall be kept to a minimum. The College President or his/her designee must review and approve all memberships to determine if the benefits occurring to the college from such memberships will exceed the cost.

Membership dues shall not be paid from state funds for individual employees or for the benefit of an individual employee unless the benefit of the membership is for the college and the position for which the individual is employed.
