COLLEGE OF  
THE  
ALBEMARLE

## College of The Albemarle Fire Service Training Schedule

- We need your request for fire classes seven days prior to the beginning of classes, unless you make arrangements to have someone to pick up materials.
- When scheduling classes or changing dates of classes you must notify the college staff 24 hours before the start of the class. This is required due to all classes having to be entered in the Portal at OSFM, no exceptions.
- Classes are added during the month that may not be on the training calendar. You can view the most current, up- to-date, fire calendar at:  
<http://www.albemarle.edu/programs-classes/noncredit/courses/fire-rescue-service-training/>
- Starting July 1, 2008...All requested fire classes will need to be requested by using the Fire Request Form that is on COA's website. Classes requested without the required paperwork will not be approved.  
<http://www.albemarle.edu/wp-content/uploads/fire-class-request.pdf>

Use the link below to pre-register for all fire classes, starting February 1. If you don't pre-register you can still register the first night of class.
