Title: Digital Technology Accessibility

Related Policy and Procedures: Policy 2.3.7 Americans with Disabilities

Divisions of Responsibility: Institutional Research, Planning, Effectiveness and Technology; Human Resources; Student Success and Enrollment Management; and Communications & Marketing

The College is committed to taking reasonable measures to support the accessibility of its audio, visual, telecommunications, and web-based technologies ("Digital Technology") for use by students, employees, and/or the general public. Students who seek an accommodation for Digital Technology should contact the College's Student Success and Enrollment Management Department. Employees who seek accommodations should contact the College's Human Resources Office.

Undue burden and non-availability may qualify as an exemption from this Policy when compliance is not technically possible or is unreasonably burdensome in that it would require extraordinary measures due to the nature of the request or would fundamentally alter the purpose of the Digital Technology.

When conducting core academic and business activities using web content, the College shall align the web content with the guidelines of the most current version of [Web Content Accessibility Guidelines](#).
