**Title: College Committee Structure**

**Related Policy and Procedures: Policy 1.10 Shared Governance Groups**

**Divisions of Responsibility: President's Office; Institutional Research, Planning, Effectiveness and Technology; Learning; Student Success and Enrollment Management**

---

The College is committed to fostering collaboration, communication and access to information among its faculty, staff and students. Participation in College Standing Committees, Special Committees, Ad-Hoc Committees and Work Teams allows for input from stakeholders, which enhances the decision-making processes. College committees shall be established and function as detailed below.

### **I. Resource Administrators (Vice Presidents, Deans, or others so designated)**

The Committee Resource Administrator shall serve as the Chair or else determine the Chair and membership roster for committees that they oversee prior to the beginning of the fall semester each year. Standing committee Chairs shall establish a regular meeting schedule; if not, the Chair must send notification of a meeting to members and the Resource Administrator at least ten working days prior to a scheduled meeting date. The latest edition to *Robert's Rules of Order* shall be followed in conducting committee meetings.

The Chair will work with the Resource Administrator about recommendations passed by the committee. The Resource Administrator advises the Chair on whether a recommendation is feasible and reasonable. The Resource Administrator will notify the Chair of the disposition of the recommendation. If approved by the Resource Administrator, the recommendation will then be forwarded to the President and/or President's Leadership Team (PLT) for consideration.

### **II. Committee Agenda and Minutes**

The committee Chair or designee is responsible for creating an agenda and keeping accurate minutes for each committee meeting. Minutes shall be distributed to the committee members and others as deemed necessary by the Resource Administrator. Some committee minutes are protected by confidentiality and will not be distributed outside the committee. For every committee, the Chair shall place a copy of the committee meeting's minutes within the appropriate Google folder owned by the Office of Research, Planning, and Effectiveness as the official college location for housing permanent committee records.

Any college employee may propose an agenda item to any college committee by submitting the item in writing to the relevant committee Chair. If the Chair agrees that the agenda item is within the purview of the committee's responsibilities, then the committee will consider it. If the committee Chair rejects the proposed agenda item, then the employee may appeal to the Resource Administrator who will review the item and then respond to the employee with an appropriate course of action.

### III. Quorum

A simple majority of the members of a committee must be in attendance at a meeting in order to constitute a quorum for the transaction of business.

Attendance via distance technology is acceptable and counted towards the quorum. No official business shall be conducted without the presence of a quorum of the membership. Recommendations shall be decided by a simple majority of members present. Members who cannot attend may designate a voting representative. The Chair may invite any nonmember to counsel and provide additional information on a specific topic of discussion.

### IV. Standing Committees

Standing committees are long term working groups with a global scope. These committees address policies and procedures that affect the entire college. Appointments to standing committees are made by the Resource Administrator through selected appointments and/or general invitations as deemed necessary.

The college's standing committees are listed below alphabetically by title, followed by the title of the Resource Administrator who serves as a non-voting member of the committee, required committee memberships, and a description of the committee function and responsibilities. The Resource Administrator may temporarily delegate the responsibility to a designee.
