

College of The Albemarle Procedure

Procedure Number: 2.2.7.5

Pages: 1 of 1

Title: Recycling

Related Policy: 2.2.7 Campus Sustainability

Division of Responsibility: Operations

To reduce waste disposed in landfills and costs associated with waste disposal, the college adheres to a recycling program where feasible. Recycling containers are located in convenient locations throughout the campus grounds. Containers are provided for outdoor events when scheduled through the events calendar.

Facility services technicians gather the recycled products from each building on campus and deliver them to the appropriate recycling centers.
