Date of Last Review

Date of Last Revision

It is the policy of College of The Albemarle to establish and publish a dress code for students.

Administrative Responsibilities

It is the responsibility of the Vice President of Student Success and Enrollment Management in conjunction with the Enrollment Management Committee to review and revise this procedure.

Procedures

College of The Albemarle expects all students to dress in a manner in keeping with the academic mission of the college.

Students will not permitted to dress in a manner which disrupts the educational environment. For campus security, students are not permitted to wear clothing or accessories which obscure, conceal or distort the student's identity, such as masks, hoods, disguises, etc.

Shirts and shoes are required at all times while the student is on campus as well as while attending a COA activity, function, or event off the COA campus.

Certain technical or vocational curricula may require special attire for clinical or laboratory areas. Students enrolled in certain programs must follow the applicable program handbook. A student may not attend classes or laboratory work conducted in the clinical or laboratory setting if such student is in violation of the dress codes for specialty programs that follow program handbook guidelines.

Exceptions may be made when necessary to accommodate genuinely held religious beliefs or as necessary to accommodate students with disabilities. Such requests should be made to the Vice President of Student Success and Enrollment Management.
