Title: Credits for Prior Learning

Related Policy: 5.2.9 Credit for Prior Learning

Division of Responsibility: Learning; Student Success and Enrollment Management

College of The Albemarle (College) recognizes that students may request work-based learning course credit for prior learning using apprenticeships, certifications and licensures, courses listed in high school to community college articulation agreements, military education and training, standardized examinations, challenge examinations, portfolio assessments, and public safety training prefix courses consistent with College policy and State Board of Community College code 1D SBCCC 800.2.

I. CREDIT THROUGH APPRENTICESHIP

Work-based learning (WBL) course credit may be granted for the experimental portion of a Registered Apprenticeship. Documentation including completed time on task shall be provided through an Apprenticeship Agreement and shall constitute the documentational requirements of a WBL experience. All apprenticeships must be approved and registered with the North Carolina State Apprenticeship Agency through ApprenticeshipNC.

The College, participating employer, and North Carolina Community College System shall cooperatively put together an apprenticeship agreement that will require at least 2,000 hours of on-the-job learning plus an additional amount of classroom instruction.

Upon successful completion of a registered apprenticeship, the individual may receive work-based learning course credit.

II. CREDIT THROUGH CERTIFICATION AND LICENSURE

Students seeking CPL via industry recognized and/or state regulated credentials will complete a request form for a prior learning assessment, attach supporting documentation that substantiates credential attainment, and submit it to the appropriate program coordinator/department chair, designated college official or office for consideration. The program coordinator/department chair and academic dean should review the request form and supporting documentation to determine whether the student is eligible to receive academic credit.

Students are responsible for providing evidence of their valid (non-expired) certification(s) which must have been issued within five (5) years prior to their request for articulated credit. Students must be enrolled in the associated program to receive course credit.

III. HIGH SCHOOL TO COMMUNITY COLLEGE ARTICULATION AGREEMENT CREDITS

North Carolina Department of Public Instruction high school courses that are listed in the High School to Community College Articulation Agreement are eligible for Combined Course Library curriculum course credit. Transcripts of high school courses must be submitted to the College.

IV. MILITARY EDUCATION AND TRAINING

Servicemen and veterans may be awarded college credit for service schools they have attended. The service schools must be accredited by a regional accrediting agency. Before applying for credit, contact the service school(s) and ask them to which regional accrediting agency they belong. Contact the registrar for more information.

V. STANDARDIZED EXAMINATIONS

The College may award CPL credit for the following standardized examinations:

- A. College Board Advanced Placement Program ("AP"): College course credit will be granted to students who pass the AP examinations with a score of three, four or five.
- B. Cambridge Assessment International Education: College course credit will be granted to students who score a grade of e/E or better based on the AS and A Level exam(s) taken.
- C. College-Level Examination Program ("CLEP"): College course credit will be granted to students who participate in CLEP Subject Examinations and achieve the minimum passing score as recommended by the American Council on Education.
- D. DANTES Subject Standardized Tests: College course credit will be granted to students who score at or above the credit-granting score recommended by the American Council on Education.
- E. International Baccalaureate Diploma Programme: College course credit will be granted to students who earn a grade of 70% or higher in courses taken from a recognized international institution, validated by a US credentialing agency.

VI. CHALLENGE EXAMINATIONS

CPL may be awarded through examinations created and administered by academic units that offer the course. The examination is constructed to allow the student to demonstrate mastery of the learning outcomes of the course.

College of The Albemarle Procedure

Procedure Number: 5.2.9.1

Pages: 3 of 4

If a department offers credit by examination, no eligible student can be refused the opportunity to take the exam for course credit. A student must meet all pre-requisite requirements before they are eligible to take the challenge/proficiency examination for a course.

Students meeting challenge exam eligibility requirements, as provided by the State Board, state and federal law, and this policy, are responsible for submitting a challenge examination request.

As defined in the State Board of Community Colleges Code, developmental courses, supplemental courses, and courses including clinical practice are not eligible for challenge exams/proficiency.

VII. PORTFOLIO ASSESSMENT

CPL may be awarded through a portfolio assessment process managed by an academic department of the College. A portfolio is “a formal communication” presented by a student as a request for prior learning credit.

Prior learning assessment by portfolio assessment will follow a course-equivalency credit model. Students demonstrate college-level learning by submitting a portfolio consisting of an organized collection of evidence that demonstrates mastery of the learning outcomes of a specific course offered at the College.

To submit a portfolio for assessment, students must contact the department offering the course. Courses eligible for credit by portfolio assessment are determined by the department. All portfolio assessments will be completed by discipline-appropriate faculty trained in assessing portfolios for credit. Departments offering prior learning assessment by portfolio will establish rubrics to guide faculty assessment and scoring.

VIII. CREDIT THROUGH PUBLIC SAFETY TRAINING PREFIX COURSES

Courses in the Combined Course Library with a Public Safety Training (PST) prefix may be used for awarding prior learning credit for industry-recognized public safety training and/or credentials.

Credit shall be considered for public safety training that meets the criteria outlined in the Public Safety Training course descriptions as listed in the Combined Course Library.

Official documentation from the training provider or credentialing entity shall be provided to the College to validate the training.
