College Transfer Pathway
Associate in Arts (P1012C)

The Associate in Arts College Transfer Pathway (AACTP) is designed for high school juniors and seniors who wish to begin study toward the Associate in Arts degree and a baccalaureate degree in a non-STEM major. The AACTP is a structured set of courses included in the Comprehensive Articulation Agreement (CAA) between the University of North Carolina and the North Carolina Community College System.

To be eligible for enrollment in the College Transfer Pathway, a high school student must meet the following criteria:

1. Be a high school junior or senior;
2. Have a weighted GPA of 3.0 or higher on high school courses;
3. Demonstrate college readiness on an assessment or placement test in English, reading, and mathematics for enrollment in a College Transfer Pathway; and
4. Meet all course prerequisite requirements.

To maintain eligibility for continued enrollment, a student must:

1. Continue to make progress toward high school graduation, and
2. Maintain a 2.0 GPA in college coursework after completing two courses.

A 10 10 0 Associate in Arts

CONCENTRATION OVERVIEW

The Associate in Arts Degree is designed to meet the two-year general college requirements of four-year colleges and universities.

Upon Completion of this Concentration, graduates will be able to: transfer with junior-level status in almost any academic or pre-professional field ranging from traditional academic areas such as economics, education, psychology, and English to pre-professional areas such as medicine, law, criminal justice, pharmacy, and other business-related activities. This curriculum is also suited to students who prefer a broad education background without definite transfer plans.

Partnership: College of The Albemarle has articulation agreements with certain universities for students transferring into specific programs of study. Students can complete the first two years of that specific baccalaureate degree at College of The Albemarle. Check with advisors and the COA website for more information.

GENERAL EDUCATION (32-33 SHC)

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) component of the Comprehensive Articulation Agreement. (All Universal General Education Transfer Component courses in which the student earns a grade of "C" or better will transfer for equivalency credit up to the distribution limits detailed in the CAA.)
