

College of The Albemarle Career and College Promise 2018-2019

Career Technical Education Pathway

Courses included in CTE CCP programs of study pathways are offered in the college's traditional, local certificates as listed in the college catalog.

To be eligible for enrollment in a Career Technical Education Pathway, a high school student must meet the following criteria:

1. Be a high school junior or senior;
2. Have a weighted GPA of 3.0 on high school courses OR the recommendation of the high school principal or his/her designee;
3. Pursue one of the 16 high school Career and Technical Education clusters; and
4. Meet all course prerequisites and admission requirements.

To maintain eligibility for continued enrollment, a student must:

1. Continue to make progress toward high school graduation, and
2. Maintain a 2.0 GPA in college coursework after completing two courses.
3. Student who falls below a 2.0 GPA after completing two college courses will be subject to the college's policy for satisfactory academic progress.

Career Technical Education Options

Term	Aviation C60200H		Criminal Justice C55180H		Early Childhood Education C55220H Important Information: This pathway has a field experience assignment that is required and integral to the course learning outcomes. If you are not currently employed in a childcare facility, you will be required to complete a background check before you will be able to enter any facility.		Emergency Medical Science C45340H
